

Bluetooth Wireless Stereo Headset with Integrated ENC Microphone

With this wireless headset, enjoy crystal clear audio calls while in a noisy office or call center environment. Specially designed to pick up on the frequency of the human voice, this headset delivers superior call quality. Work efficiently throughout the day without having to worry about call quality or the limitations of a corded headset.

FEATURES

- **WIRELESS DESIGN ALLOWS FOR MORE FREEDOM OF MOVEMENT WITH A RANGE OF UP TO 10 METERS / 32.8 FEET**
- **MULTIPLE WAYS TO CONNECT FOR MAXIMUM COMPATIBILITY**
Connect via Bluetooth or USB-A dongle
- **ENC (ENVIRONMENTAL NOISE CANCELLATION) MICROPHONE**
Headset adopts advanced ENC (environmental noise cancellation) technology which reduces background noise and improves sound and vocal clarity by using the microphone technology to detect background sounds, such as a loud office or childrens, and then uses an algorithm to cancel out the background sounds while focusing on the speaker's human voice to ensure vocal clarity without audio clutter.
- **AMBIDEXTROUS DESIGN**
Microphone can be used on either the left or right ear
- **VOLUME AND CALL CONTROL BUTTONS**
- **ADJUSTABLE HEADBAND & CUSHIONED EAR PAD FOR ADDED COMFORT**
- **30 HOURS OF ACTIVE CALLING TIME ON ONE CHARGE**
- **35 HOURS OF ACTIVE MUSIC LISTENING TIME ON ONE CHARGE**
- **COMPATIBLE WITH PC, LAPTOPS AND SMART-PHONES**

PART NUMBER	A04619
