SENNHEISER
The Pursuit of Perfect Sound

MB PRO 2

Sennheiser MB Pro 2 is a premium Bluetooth™ stereo headset for business professionals who demand wireless communication freedom, brilliant sound quality, and exceptional wearing comfort.

Sound leadership
With an ultra noise-canceling microphone equipped with a single channel noise reduction system, the MB Pro 2 reduces background noise such as car road noise and air conditioning fans. Combined with Sennheiser voice clarity, this provides the listener with a clearer and more natural sound on calls.

The MB Pro 2 incorporates a "Room Experience" feature, which exteriorizes the sound from the user's head. Turned on with press of a button on the headset, Sennheiser "Room Experience" creates a more natural and comfortable listening experience for the all-day user.

User focus
The MB Pro 2 includes a user-friendly automatic music setting for relaxing between calls. There is also a communication setting to ensure the most natural listening experience in important business calls for both the speaker and the listener.
With up to 15 hours of talk time, the MB Pro 2 is designed to enable all-day users to experience brilliant, clear sound while enjoying the benefits of over-the-head wearing comfort.

Additionally, patented Sennheiser ActiveGard® hearing protection technology protects users from the potential danger of acoustic shock of unexpected and extremely loud sounds on the line.

Quality design
The MB Pro 2 headset offers business professionals brilliant sound in a high-quality, award-winning design that enhances robustness. The iconic design is crafted for best comfort and the large leatherette ear pads give a perfect fit, powerful sound and extra wearing comfort.

Features and Benefits:
- Sennheiser voice clarity – for a natural speech and listening experience
- Stereo streaming sound-enhancement profile – for multimedia and music listening purpose
- Room experience feature – for a more realistic sound and to increase call comfort
- Ultra noise-canceling microphone – for perfect speech transmission
- Noise Dependent Volume Control (NDVC) – provides ideal speaker volume in changing environments
- Large leatherette ear pads – for exceptional wearing comfort and powerful sound
- Up to 15 hours talk time – communicate in high definition audio for a full-work day
- Multi connectivity – to seamlessly manage calls between mobile devices from a single headset for maximum call-handling flexibility
- Voice prompts for status – the user is always updated
- iPhone battery meter – keeps the users aware of available talk-time
- CH 20 MB USB – USB charging cable provides easy charging

Product Information

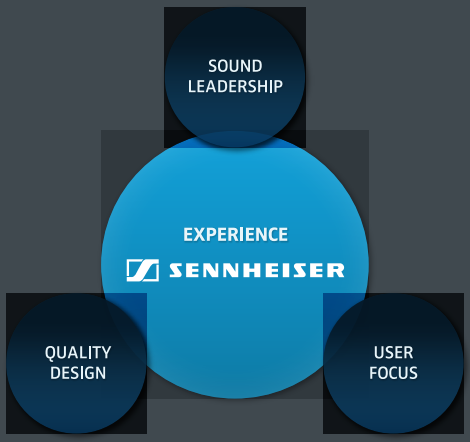

Product name	**MB Pro 2**
Art. No.	506044
EAN No.	40 44155 09037 6
UPC No.	6 15104 25068 0
Product description	Double-sided Bluetooth® headset
General Data	
Wearing style	Fully adjustable headband, over-the-head wearing style
Technology	Bluetooth® Version 4.0 / supported profiles: HSP 1.2 + HFP 1.6 + A2DP 1.2
Talk time	Up to 15 h
Charging time	2 h 30 min
50% charging time	40 min
Range	Up to 25 m (device dependent)
Weight of headset	82 g / 2,89 oz
Microphone	
Microphone type	Ultra noise-canceling
Frequency response	150 Hz – 6,800 Hz
Speaker	
Speaker type	Dynamic, neodymium magnet
Frequency response	150 – 15,000 Hz
Sound pressure	Max. 118dB (SPL) limited by ActiveGard®
Packaging	
Dimension of product packaging (L x W x H)	203 x 169 x 56 mm / 7.99 x 6.65 x 2.20 in
Package weight (incl. complete product and packaging)	250 g / 8.82 oz
Units in distributor master carton	10
Master carton weight incl. products	3.77 kg / 8.31 lbs
Dimension of master carton (L x W x H)	510 x 380 x 200 mm / 20.08 x 14.96 x 7.87 in
Unit pack/end user	1
Content of delivery	
Box content	- Headset - USB charging cable - Safety guide - InCompliance leaflet - Quick guide
