# Microsoft® LifeCam Studio™

## The closest to being there

Experience the amazing clarity and detail of HD video. With brilliant color and crystal-clear audio, this webcam with a 1080p HD widescreen sensor<sup>1</sup> and high-precision optics brings your far-away friends and family closer than ever before.

## Features

### 1080p HD widescreen sensor<sup>1</sup>

For superior sharpness and image quality.

### Advanced high-precision optics<sup>2</sup>

- + Auto Focus
- + High-precision glass element lens

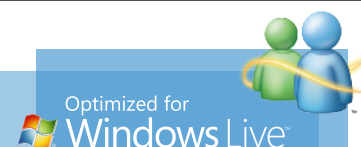

### Clear, high-quality video

- + TrueColor Technology automatically delivers bright and colorful video, in virtually all lighting conditions
- + ClearFrame Technology for smooth, detailed video

### High-fidelity microphone

For more natural, detailed audio.

### 3-year limited hardware warranty<sup>3</sup>

#### Windows Live™ Movie Maker

Start a movie project with one click, then upload widescreen video to social networking sites.<sup>4</sup>

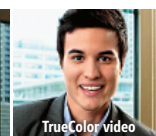

#### Windows Live Photo Gallery

Easily upload a photo that you can edit, tag, and share with friends and family.

#### Windows Live Call Button

The easy way to start a video call.

Standard video TrueColor video™

### System Requirements

Windows® 7, Windows Vista®, Windows XP with Service Pack 2 (SP2) or higher; VGA video calling: Intel Dual-Core 1.6 GHz or higher, 1 GB of RAM; 720p HD recording: Intel Dual-Core 3.0 GHz or higher, 2 GB of RAM

1.5 GB free

CD-ROM

USB 2.0

Windows-compatible speakers or headphones

**You must accept the enclosed License Agreement during software Setup before you can use the software accompanying this product.**

#### Internet functions also require:

Internet Explorer® 6/7/8 for installation; 25 MB hard-drive space typically required. Broadband required. Toll charges may apply.

<sup>1</sup> Popular video call services support VGA resolution—not 1080p. 1080p HD recording requires: commercial video software (not included); Intel Quad Core 3.0 GHz (or higher) or compatible; and 4 GB RAM. Enclosed software supports 720p HD recording. HD display recommended.

<sup>2</sup> Focus range from 4" to infinity.

<sup>3</sup> Limited Warranty and License Agreement available at: [www.microsoft.com/hardware/warranty](http://www.microsoft.com/hardware/warranty)

<sup>4</sup> Windows Live™ Movie Maker and Windows Live Call Button with Windows Live Messenger 2011 is only accessible for Windows 7 and Windows Vista users.

<sup>5</sup> Video call resolution dependent on messaging client (messaging clients available spring 2010). Basic Video & Audio Functionality with Windows Live Messenger, Microsoft® Office Communicator, Yahoo! Messenger, AOL Instant Messenger, and Skype.
