The Pursuit of Perfect Sound

PRESENCE™ UC ML

PRESENCE™ UC ML is a premium headset for mobile Unified Communications professionals using Microsoft Lync™, who require consistently excellent HD sound and HD voice clarity around the office, in the car and outdoors.

Sound leadership
Building on Sennheiser's 70 year legacy of sound leadership, new developments include SpeakFocus™ and WindSafe™ technologies to optimize communication in noisy environments – both indoors and out doors.

With best-in-class Sennheiser HD voice clarity using unique 3 digital microphone system, PRESENCE™ UC ML optimizes speech intelligibility in challenging environments.

The headset also provides high-quality audio for podcasts. For peace of mind, ActiveGard® provides protection from acoustic shock.

Quality design
With a focus on quality materials and wearability, PRESENCE™ UC ML's slim iconic design and subtle aluminum microphone boom arm represent the ultimate in discretion for business professionals.

User focus
PRESENCE™ UC ML is optimized for Microsoft Lync™ and enables multi-connectivity and seamless switching between softphone and mobile calls from a single headset. Features include a unique sliding microphone with integrated on/off power slide and up to 10 hours' narrowband and 8 hours' wideband call time between charges.
