

PRESENCE™ UC ML

Hear
and be heard
Wherever

The ultimate headset for getting your message through

With Sennheiser PRESENCE™ UC ML you get the best of both worlds: **You** get the benefit of superb HD sound and **your listener** gets to hear you clearly – no matter where you're calling from.

Because PRESENCE™ UC ML intelligently adapts to different environments, it always delivers the best sound possible – especially for your listener. From noisy office, through a windy car-park to the relative quiet of your car, PRESENCE™ UC ML takes background noise in its stride and adapts seamlessly to give the consistent listening experience that professional communication demands.

With its extended talk-time and range, this iconic headset is designed to actively help you and your listener focus on your conversation.

Be sure that your message gets through – even in challenging outdoor environments. WindSafe™ technology reduces wind noise to ensure the clearest possible sound is sent to your listener – and that your answers aren't left blowing in the wind.

**WIND
SAFE™**

When it comes to business, clear communication is crucial. SpeakFocus™ technology focuses on your voice to deliver crystal clear sound, making it easy for listeners to hear what you're saying – even in noisy environments.

**SPEAK
FOCUS™**

Uncompromising sound for you and your listener

PRESENCE™ UC ML packs a wealth of advanced sound technology into its slim discrete design to give demanding professionals peak performance on the move.

Best-in-class sound

Legendary Sennheiser HD voice clarity ensures a clearer and more natural audio experience.

Adapts to all sound environments

SpeakFocus™ and WindSafe™ technologies provide your listeners with the ultimate in speech intelligibility in all environments.

Hearing protection

ActiveGard® technology protects you from acoustic shock and sudden sound surges.

Maximized Microsoft Lync™ performance

Microsoft Lync™ optimized for plug and play experience to get the most out of your UC environment.

Multi-connectivity

Seamlessly switch between softphone and mobile calls, effectively replacing your in-office headset as well as your mobile headset.

Extended talk time

Up to 10 hours talk time for a full day on the move.

Increased range

Freedom to move up to 25 meters – depending on device and environment.

Convenient carry case

PRESENCE™ UC ML comes complete with a carrying case designed to protect your headset, while keeping your accessories safe and to hand. With space for headset, dongle and USB charging cable, the case fits comfortably in a pocket. For your convenience PRESENCE™ UC ML is delivered with both ear hook and ear sleeves.

PRESENCE™ UC ML

PRESENCE™ UC ML allows mobile Unified Communication professionals using Microsoft Lync™ to get the maximum value from their premium headset and to experience excellent communication solutions around the office, in the car and outdoors. Fully optimized for Microsoft Lync™, the headset enhances communication in noisy environments and provides best-in-class Sennheiser HD voice clarity and optimized speech intelligibility for listeners.
